

## MCCASKILL GYNECOLOGY

KEEPING OUR CLIENTS AND EMPLOYEES SAFE

DURING THE OUTBREAK OF THE CORONAVIRUS

IS OUR TOP PRIORITY!

McCaskill Gynecology is following the WHO and CDC guidelines to keep our clients and employees safe during the outbreak of the Coronavirus. The health and safety of our patients and team members is of the utmost importance. We have and always will continue to maintain above standard protocols for sterilization and cleanliness of our office.

As we keep our doors open through this time of heightened awareness, we are taking proactive steps to help prevent the potential spread of the virus and have implemented the following guidelines:

- If you have a fever, cough, chills, flu-like/cold like symptoms (even if you think you have allergies), or have recently traveled to a high-risk area, please contact our office to reschedule at (775)826-1285.
- McCaskill Gynecology staff has been instructed to stay home if they have any symptoms, including a fever.
- Additional office cleaning procedures to clean and disinfect frequently touched surfaces and objects have been implemented. Patient touch points such as door handles, counter tops will be cleaned multiple times throughout the day to ensure cleanliness.
- In-between patients and services, we cleanse by washing hands with antibacterial soap or apply hand sanitizer and wear gloves when appropriate.

We have temporarily suspended our cancellation/no show policy.

If you feel uncomfortable coming to our office during this pandemic situation, please contact our office to reschedule. We will do everything we can to get your needs taken care of. We appreciate your flexibility and understanding during this time.

McCaskill Gynecology Team
